

PRIMA ENTEN Ltd.

About us:

The Prima Enten Ltd. was established by private Hungarian's businessmen in 1998. This company is one of the leader roasted duck producing company in Hungary, located in Vámospércs, east part of Hungary – near Debrecen. The company employs 200 full-time workers.

In the first term of the investment a smaller plant was built which proved to be too small so on the same plot it was necessary to build a bigger plant. In 2001 we reached the surface of 3.400 square meters. We managed to achieve the project with the help of governmental subsidy.

The duck roasting can run continuously in the two plants. Our annual capacity is about 2.000 tons at product which takes nearly 3,5 billion forints income. The Prima Enten Ltd. has 59 million forints stock capital. Our cold-store capacity is 300 tons.

The main profile of the company is the special seasoned marinated, boneless roasted duck, goose and chicken. Our raw-product supplier is Hungerit Co. and the ready-product is exported to Western Europe. Our main costumers are from Germany, England, The Netherlands, Belgian, France, Austria. The final products appear in hipermarkets and restaurants with the contribution of our wholesaler partners.

Inspite of the fact that Prima Enten is a middle sized company it is a rollplayer in its special segment at the market in Hungary and in Middle Europe as well. One of the reason of this, that our company started operation as a pioneer in roasted duck production ten years ago. This premium quality product usually packed in attractive colourful boxes on alu-tray. The consumers can heat up the product and it's ready to eat. We offer it to the people who like the quickly preparable gourment from duck, goose, chicken. These top quality, amazing roasted food now are available in the Hungarian supermarkets as well.

Our company is working according to HACCP, ISO 9001 and ISO 14001 integrated management standards. We are planning to enter IFS standard Prima Enten brand is a guarantee for quality. We fulfill our orders in due time and the company features great accuracy.
